* [GF] Although our gluten-free dough and menu items are made and cooked using dedicated kitchen utensils and trays, they are prepared in the same facility and ovens as our regular flour-crust pizzas. We cannot guarantee that our pizzas and other menu items are 100% free of gluten as there is always a possibility of trace amounts crossing over from other kitchen areas.

* Our store offers products with peanuts, tree nuts, soy, milk, eggs and wheat. While we take steps to minimize the risk of cross contamination, we cannot guarantee that any of our products are safe to consume for people with peanut, tree nut, soy, milk, egg or wheat allergies.
